

Mod.: MP 8 G X Ref.: 0308GX
EAN Code 8432615165881

New design of our best air gun for touching ups and the application of paste products.

New body made of the highest quality aluminum, lighter, more ergonomic and with a new surface treatment which gives it an INCREDIBLE aspect. The weight is also newly distributed thanks to the inclination of the funnel that reduces fatigue. It is more equipped with the air flow regulator and it is possible to use this model as a continuous air flow gun or as a valve one. Trigger lock included.
